

Control-Z (6:01)

Hi. I'm part of a film project with (group name) , and we're using short films to talk about life, relationships, and spirituality. Would you be willing to watch a short film and answer 5 questions about it?

This film is 6 minutes; it's called Control Z; and a couple guys from the NBC show *Chuck* star in it.** The film was screened at the 2008 Sundance Film Festival.

As you are adjusting sound, opening the file, making introductions, ask...

1. What's your all-time favorite movie? What do you like most about it?

If you're familiar with their favorite film, share what you like about it. Otherwise, share yours.

2. So, what do you think of the story?

3. How do you deal with things you don't have control over?

4. Because it might change who you are, what things would you "not undo"?

Share what you wouldn't want to undo.

5. If you could, how far back would you undo in your own life? What would you do over?

Share what you would do over.

6. Can I tell you about a 'redo' I found for my life?

Tell your real life story.
